

Die Gläser der Glashütte SPECTRUM zeichnen sich durch eine sehr konstante Qualität, große Farbtreue und sehr gute Schneidbarkeit aus. Die Produktpalette deckt nahezu alle Bereiche der Glasgestaltung ab. Die opalen und halbtransparenten Gläser werden überwiegend im modernen Lampen- und Objektbau verwendet. Für den Bereich Türen- und Fensterbau eignen sich besonders die Cathedralgläser, die in verschiedenen Oberflächenstrukturen lieferbar sind. Die Barockgläser und Seedy farblos bieten wir neben dem Standardmaß zusätzlich optimiert für Tür-Lichtauschnitte in ca. 150 x 60 cm an (SL).

NEU von SPECTRUM sind die für die Glasverschmelzung hervorragend geeigneten mit SF gekennzeichneten Gläser im System 96 (AK 96). Alle Produkte im System 96<sup>TM</sup> sind auf Kompatibilität getestet (tested compatible). Das System 96 bietet zu dem klaren Basisglas 100 SF eine große Auswahl an farbigen Gläsern. Die Fa. Uroboros liefert im System 96 Glaskrösel in fünf verschiedenen Körnungen, Glasfäden und Glasnudeln.

The glass from SPECTRUM distinguishes itself by a very constant quality, reliable color fidelity and superior ease of cutting. The product line covers almost all areas of glass design. The opal and semi-translucent glasses are mainly employed in modern lamp and object creation. The many different surface structures available in the Cathedral glass as well as in Baroque<sup>TM</sup> glass are best suited for the areas of door and window design. In addition to the standard sheets we offer SPECTRUM Baroque and clear Seedy in sheets approx. 150 x 60 cm, (SL) optimized for door inserts. NEW from SPECTRUM is the line of fusible glass sheets labeled "Tested Compatible" in the new System 96<sup>TM</sup> (96 TEC). All System 96<sup>TM</sup> products are constantly tested for compatibility. The new System 96<sup>TM</sup> offers - in addition to the 100SFS clear base glass - a large selection of colored glass. In cooperation with SPECTRUM, Uroboros Glass Studios offers a program of System 96<sup>TM</sup> glass frits in five grain sizes, glass stringers and noodles.
